

**BUREAU
VERITAS**

**CERTIFICATE OF QUALITY SYSTEM APPROVAL (module H1)
N° CE-0041-PED-H1-UBH-001-13-GBR**

BUREAU VERITAS UK Limited, acting within the scope of its notification (notified body number 0041), attests that the quality system operated by the manufacturer for design, manufacture, final inspection and testing of the pressure equipment identified hereunder has been examined against the provisions of module H1, as specified in the Pressure equipment Regulations 1999 (EC Pressure Equipment Directive n° 97/23/EC), and found to satisfy the provisions of the directive which apply to it.

Manufacturer (Name): **UBH International Ltd**

Address: **Orrell Lane,
Burscough Lancashire L40 0SL,
UNITED KINGDOM**

Trading name:

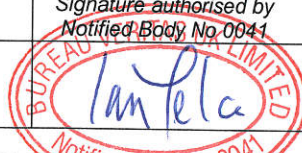

Equipment description: **Design, manufacture, inspection and testing of transport tanks for the carriage of non-hazardous goods, stationary pressure vessels and piping constructed from carbon steels and stainless steels (austenitic and duplex).**

Identification of the approved design and versions covered by the approved design: **As above**

Conditions for validity or deadline of the recognition for the certification quality system: **09/02/2016**

A list of the relevant parts of the technical documentation is annexed to this certificate.

This certificate shall be deemed to be void and the manufacturer shall alone bear any consequences pursuant to its use, in case of modification to the equipment where this may affect conformity with the essential safety requirements or the prescribed conditions for use of the equipment, and generally where the manufacturer fails in particular to comply with any of his obligations under directive nr 97/23/EC of 29 may 1997 as transposed in the applicable law(s).
